Quality Teachers for EFA

UNESCO Initiative for Teachers Capacity Development in Priority Countries with a Focus on Africa
Quality Teachers for EFA

Priority:

- To bridge the teacher gap in priority countries, particularly in Sub-Saharan Africa, by developing national capacities to increase the number of qualified teachers in view of accelerating progress towards achievement of EFA goals.
Quality Teachers for EFA

- **Action lines:**
  1. Teacher training institutions.
  2. Teacher assessment and support.
  3. Technology for access and quality.
  4. School leadership.
  5. Policy development.
Knowledge production and dissemination

- **UNESCO standards for teachers in SSA**
- **Innovations in teacher assessment and in-classroom support**
- **Strategies for increasing attractiveness in LDCs**
- **Ministerial conference on school leadership**
  - Training materials for school leaders
- **Training the trainers**
Many thanks
